WHAT TO EXPECT?

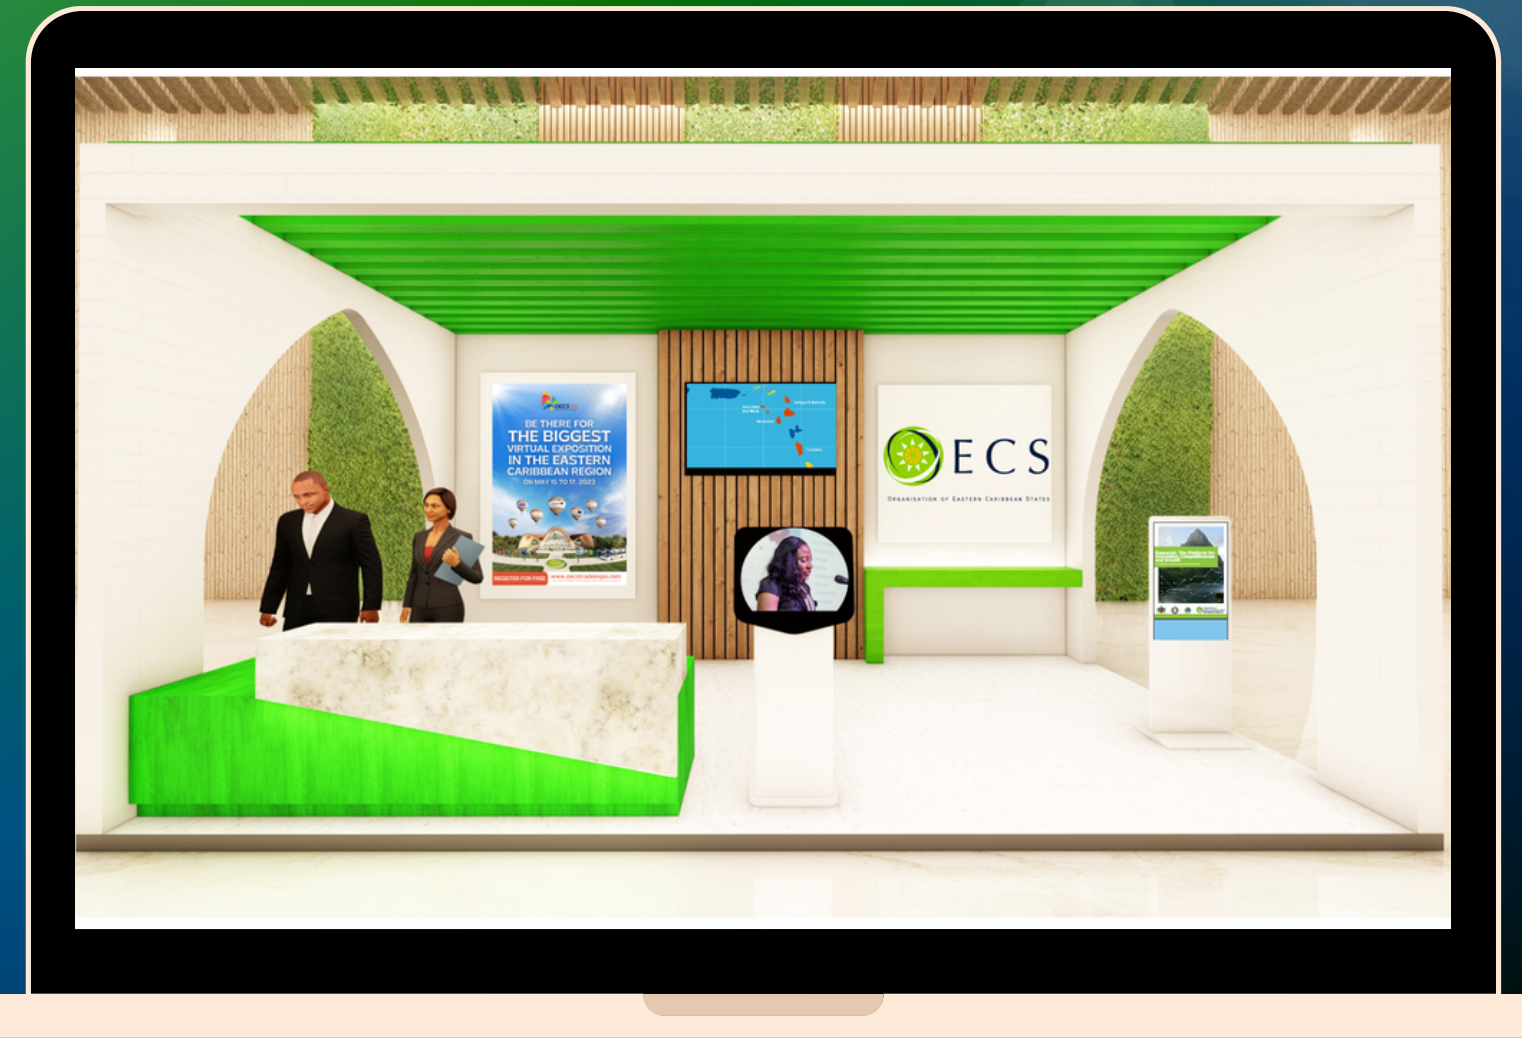

EVENT FEATURES

Exhibits

This simulates virtually an in-person exhibit experience. The custom-designed booths will allow exhibitors to personalize booths and provide an opportunity to present their products and services through brochures, posters, video, and company profile.

This also lets the audience schedule business meetings and contact the exhibitors through private in-platform messaging and access to necessary contact information.

EVENT FEATURES

Auditorium

A feature where live program sessions will be held. This virtual room will also provide information to the participants on program agenda, speaker's profile, and presentations.

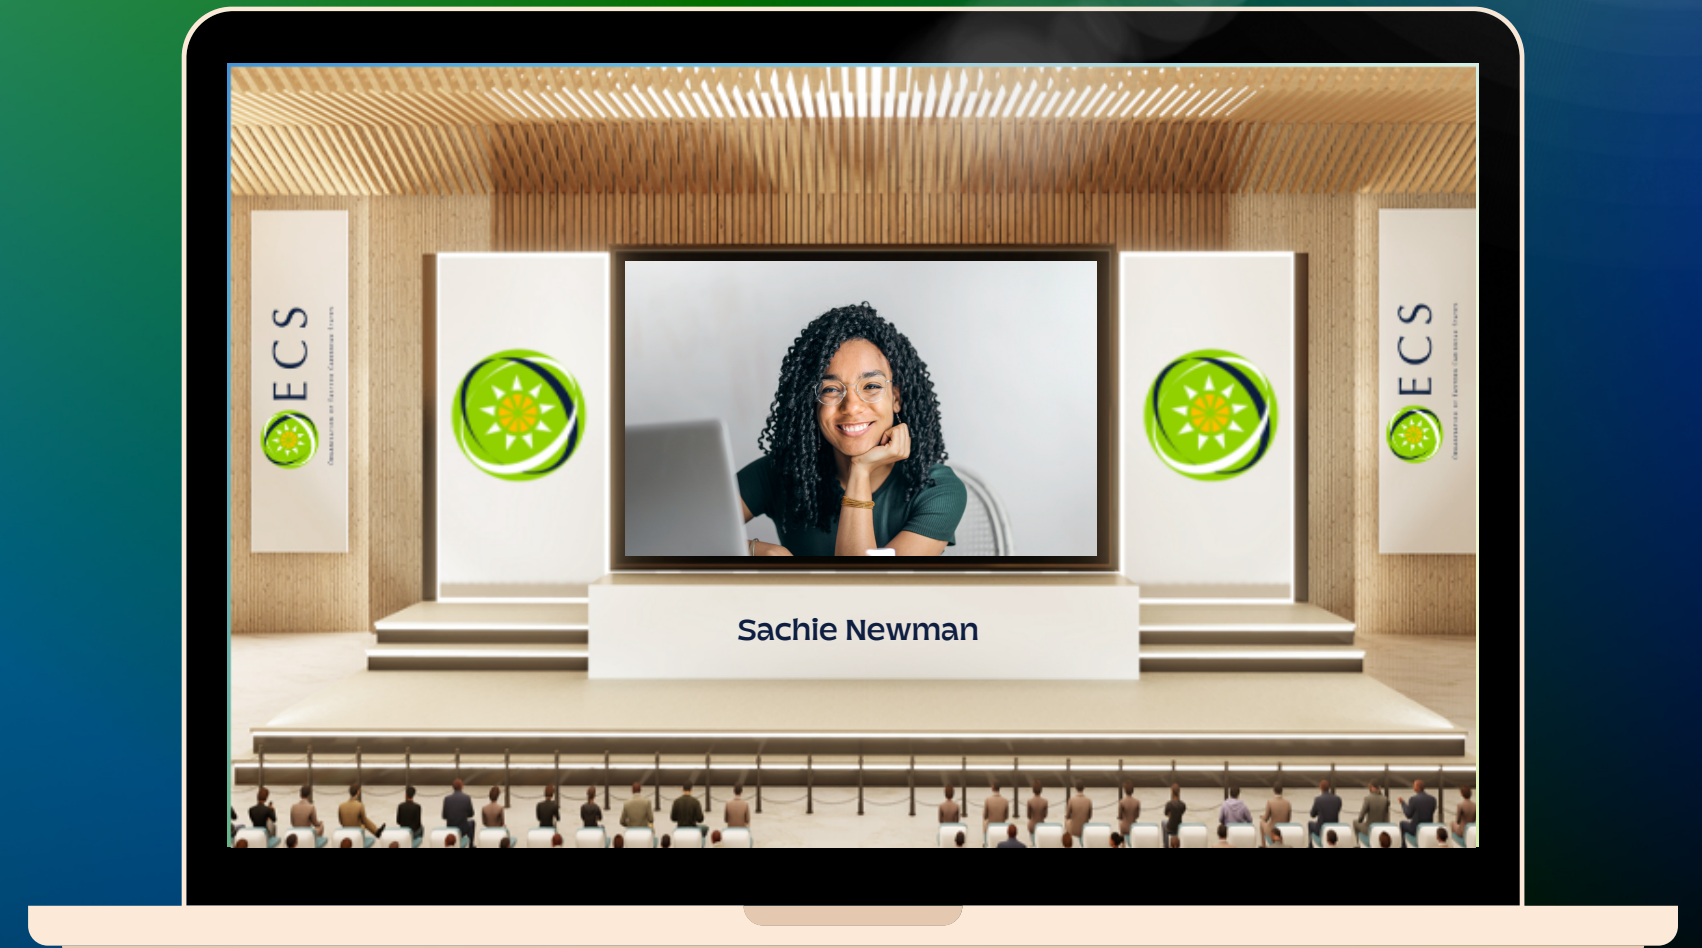

EVENT FEATURES

Center Stage

Selected MSMEs will be given an opportunity to demonstrate their products and services with recorded 5-minute videos.

Each presentation will be exclusively shown in a specific time slot throughout the duration of the event.

EVENT FEATURES

Networking Lounge

Participants and exhibitors can network with each other through in-platform messaging either private or public chat.

This will provide the participants with basic information on each other.

EVENT FEATURES

Gallery

Selected regional artists will be given a chance to digitally showcase their creativity through an immersive gallery.

BECOME A PARTNER TODAY

As our event partner, you will be given an invaluable opportunity to support entrepreneurs in the eastern caribbean region especially with the ongoing transition to the new normal brought by the pandemic.

Your organization and company will also be given strategic placement in our platform. We are also open for creative ways on how we can partner together to achieve this momentous event.

Together, we will leave no one behind towards the attainment of the Sustainable Development Goals by 2030.

With love,

Organizing Committee
